Dear Sir/Madam

It is with much pleasure; North Haven Boardriders Club will be hosting "A History of Surfing" Black Tie Event in 2011 at The North Haven Bowling Club catering for up to 350 friends of surfing.

We plan to invite all local surfing enthusiasts spanning all facets of surfing, Clubs past and present, Local Board Builders, Local Surf Retailers, Equipment and Fashion, Surf Photographers, Surf Film Makers, Surf Schools, Surf Coaches, Former Pro Surfers, Current Surfers, Up Coming Surfers and the average Surfer Joe.

We plan on interested speakers giving a short speech for there Club, their club's major achievements and listing all Life Members, if any. We ask that each club do a display board for the Event, which would attract a lot of interest. We envisage a Power Point Presentation on the night detailing the districts history and documenting it in the form of a booklet and presenting it to the Library to preserve our local valuable surf culture. It is our desire to attract a high profile celebrity surfer to the event and maybe run the event to coincide before the 2011 Australian Surf Festival. A surf quiz, lucky door prize (a surfboard) and beautiful hostesses are planned for the evening.

We plan to take surfers from one century to the next and refresh their memories and stoke them all over again. So as you can imagine, much work and skills are needed to coordinate such an entertaining show.

Awards to be awarded by peer poll to the Surfer of the Century, Awards also for Upcoming Surfers, Surf Retail and Local Characters of surfing and contributions to the sport by individuals.

We ask for your help in providing historical and existing information. We also need somebody who can donate his or her time to help with the technical skills and computing skills with music and the power point presentation set up on the night.

We are also trying to locate former surfboard maker Derek Crisp who made 'Pacific Star' Surfboards in the 1950's and 1960's in Port Macquarie.

Please don't hesitate to contact us if you would like to be on our Organizing Committee or have a long association with surfing and could provide us with some current or historical information.

Our Club is very excited about this wonderful Local Surfing Venture and we look forward to your help and input.
