AUGUST 2009

More than halfway through the year already with the club going strong due to the support of the members. Club comp days are running smoothly due to the efforts of a core group of guys who keep things turning over such as the bbq, heat draws/tallying and chipping in judging and getting the tent up and down. Thanks to you guys!

Next comp (20 SEPTEMBER) will be a camp at Plommer on Saturday night with one comp only on the Sunday morning 8am start. We have dropped it back to the one comp this weekend so those who can't make the weekend don't miss two comps. Also not to tie up the break for two days. Having the comp Sunday will allow those who work/kids sport Saturday to still head up that afternoon.

Next Sunday 16/8/09 is the start of the Aust. Longboard Titles at Town Beach and going for the week. Our club will be setting up a drink tent each day and anyone who can come down and help out through the week will be most welcome. Even if it's just for a couple of hours.

The end of year function this year will now be a 2pm Sunday BBQ at Bluewater Restaurant which we will cater for ourselves as far as the bbq/salad. We will purchase trays of nibblies and the bar will be open with live music. Date yet to be confirmed.

Anyone wanting to buy the new hoodies see John before they are all gone.

Just a reminder to keep an eye on our website which we will keep up to date information on. If anyone has anything they think should go on there, please see me. You may have boards for sale etc.

Jason.
